**FERMILAB/AEARO CO.
PRESCRIPTION SAFETY EYEWEAR REQUEST
PO Number 536525**

Employee Name _____ ID# _____

Division/Section _____ Mail Station _____ Ext. _____

This employee is to be provided with 1 pair of prescription safety eyewear in accordance with ANSI Z87.1 as indicated below.

Please obtain the signature of your supervisor to order prescription safety eyewear having the options in the box below. All lenses will be polycarbonate.

Basic Eyewear	<input type="checkbox"/>	Sunglasses	<input type="checkbox"/>	VDT Lenses	<input type="checkbox"/>	Polarized Lenses	<input type="checkbox"/>
Torch Braze	<input type="checkbox"/>	Side Shields	<input type="checkbox"/>	Side Shields	<input type="checkbox"/>	Brow Guards	<input type="checkbox"/>
Solder Cut Lenses		Perm. Att.		Detachable			

Approval:
Supervisor _____ Date _____

The options in the box below are **strongly discouraged** since their use presents an unacceptable risk of injury in some work situations. Therefore, these options may only be ordered after evaluation, and signature approval, of ALL the persons indicated.

- ☐ **Glass Lenses** - Although glass lenses meet safety design specifications, they may shatter on severe impact. Plastic safety lenses will not shatter.
- ☐ **Photochromic or Transition Lenses** - These lenses require several minutes to change shading and may darken in dark areas where ultraviolet radiation is present, or lighten in light areas where ultraviolet radiation is absent. The use of these lenses is discouraged by the ANSI Z87.1 eye protection standard.

Approvals:

Supervisor	_____	Date	_____
D/S Safety Officer	_____	Date	_____
ES&H Section Head	_____	Date	_____

ES&H/Admin Form #6

PROCEDURES FOR OBTAINING PRESCRIPTION SAFETY EYEWEAR

1. You must have a prescription for corrective lenses that is not more than 18 months old. You may have your eyes examined by any qualified eye specialist, including those listed below. Fermilab does not pay for eye exams.
2. With the help of your supervisor and/or safety officer, fill out the reverse side of this form. The form should be signed by your supervisor and others as indicated. A form is required for each pair of glasses you need on your job.
3. Bring your prescription and completed form with you to order prescription safety eyewear. An optician is available at WH-GROUND FLOOR EAST, EOC (door just past the stairs to the Mezzanine) each Wednesday from 11 AM to 1 PM (or call X3783 after 3 pm on Tuesdays to verify the optician will be onsite). No appointment is necessary at Fermilab. Orders may also be placed at any of the facilities listed below. Please call for an appointment to avoid delays.
4. If you choose a frame style that has an additional charge, you will have to pay that amount prior to your order being placed. **Visa/Mastercard is the preferred method of payment.** Check/Money Order will delay the processing of your order. No cash will be accepted after 7/1/00.
5. Your prescription safety eyewear will generally be ready for pickup within 7 to 10 working days of placement of your order. Please call Ext. 3783 on Tuesday after 3 PM to see if your eyewear has come in. The ES&H Section will also send you an e-mail message when your safety eyewear arrives.

Note: If you choose to go to an offsite facility, you will be expected to do so on your own time.

If you have any questions, comments, or problems, please contact the ES&H Section at Ext. 3644.

Call one of the locations below for an appointment. You **must** present this completed form when ordering prescription safety eyewear. No orders will be accepted without this authorization form. Call the off-site location prior to your scheduled appointment if you do NOT have Visa/Mastercard, check or money order to make other arrangements.
